

**FCC Form 312**  
**Pro Forma Assignment of DG Space Station Licenses**  
**Answer to Form 312 - Schedule A, Question A21**  
**Exhibit F**  
**October 21, 2004**

**STATEMENT OF PUBLIC INTEREST**

Licensee DigitalGlobe, Inc. ("DigitalGlobe"), for business reasons unrelated to the control of its FCC licenses, has decided to assign the licenses to its wholly owned subsidiary DG Consents Sub. This transaction is strictly, pro forma, because the ultimate control of the licenses will remain the same. The proposed assignment will serve the public interest by facilitating continuity of DigitalGlobe's remote sensing service consistent with DigitalGlobe's past practice.
